### **QubicaAMF establishes distribution alliance with Bowltech for Denmark market**

Richmond, Va.— QubicaAMF Worldwide is pleased to announce that on 8 June, 2009, the company established an agreement with Bowltech Bowling Inc. under which Bowltech will service the Denmark market as their full line distributor, including capital equipment and aftermarket. Bowltech Denmark is a well respected operation based in Billund, Denmark with a long history of providing product and services to bowling centers.

Bowltech Denmark will serve as QubicaAMF's exclusive distributor in Denmark. Claus Roed, the Managing Director of Bowltech Denmark, will expand his responsibilities to include the coordination of all QubicaAMF products in Denmark. "Bowltech Denmark has been a key provider to our bowling customers in Denmark and we are always looking for opportunities to improve the products and services we offer", says Claus Roed, "The addition of QubicaAMF products is a great fit to our operation". Folkert Nievelstein, Regional Sales Manager for QubicaAMF International Sales & Service added, "We believe this powerful combination will allow us to build and expand on our presence in the Danish market for QubicaAMF products. This is another yet example of the Power of Partnership philosophy of QubicaAMF."

Bowltech is headquartered in Made, The Netherlands and is a major European distributor of bowling products, with warehouses and service centres located in the UK, France, Sweden, Germany, Holland as well as Denmark.

QubicaAMF Worldwide is one of the largest bowling products companies in the world. With worldwide headquarters near Richmond, Virginia and European headquarters in Bologna, Italy, the company manufactures a complete line of high-quality, innovative solutions for new and existing bowling and entertainment centers.
